501(c)(3) nonprofit · Founded February 2023

June 16, 2026

To Whom It May Concern,

Thank you for taking the time to learn about Nevada Visionaries. We are a 501(c)(3) nonprofit and a DOJ Recognized Organization with an Accredited Representative on staff, offering free, fully online citizenship preparation to neighbors across the country.

Since founding Nevada Visionaries in February 2023, I have personally taught and represented hundreds of neighbors on their path to U.S. citizenship — in person and online. Before the nonprofit existed, several hundred more were reached through a self-paced citizenship course I built in 2020. This work is grounded in years of adult education experience at the College of Southern Nevada, where I taught within their workforce development program and helped adult learners earn their GEDs.

Today, Nevada Visionaries serves neighbors in Nevada, Colorado, Texas, Maryland, New York, and a growing number of states — all online, with no fees and no catch. Because we are DOJ-accredited, we can legally represent neighbors on their N-400 cases — something most free citizenship programs are not authorized to do.

We are seeking **general operating support**. Unrestricted funding allows us to keep every class free, expand our DOJ-accredited representation, and reach more neighbors in more states — without designing programs around grant restrictions.

I am personally invested in this work with my whole heart and my time, and I would welcome the chance to share more about what your partnership could make possible. Our IRS 501(c)(3) determination letter and DOJ recognition letter are both posted at www.nevadavisionaries.org; our W-9 is available on request.

With gratitude,

Christa Casillas
