**Approval of Application for Recognition –  
Nevada Visionaries**

Dear Applicant:

The Executive Office for Immigration Review (EOIR), Recognition and Accreditation (R&A) Program, has received your application for recognition under 8 C.F.R. § 1292.11. Based upon our review of the application and the materials submitted, we are satisfied that your organization possesses the structure and status to provide representation through Accredited Representatives who appear on behalf of clients before EOIR and the Department of Homeland Security (DHS). Therefore, the application for recognition is approved.

An organization that has not been previously recognized is granted conditional recognition. 8 C.F.R. § 1292.11(f). Please note that conditional recognition of an organization is valid only for a period of **two years** from the date of this letter. To maintain valid recognition, your organization must submit to the R&A Program an application for renewal of recognition prior to the expiration date, establishing that the organization remains eligible for recognition. 8 C.F.R. § 1292.16(c)(1). Please refer to the R&A regulations, 8 C.F.R. § 1292.11-.20, as well as the R&A website (<https://www.justice.gov/eoir/recognition-and-accreditation-program>) for more information on Recognized Organizations' duties and responsibilities, including recordkeeping, reporting changes, and submitting timely renewal applications. In addition, as a Recognized Organization, you are responsible for ensuring that you do not violate any of the grounds for disciplinary sanctions found at 8 C.F.R. § 1003.110. Your Accredited Representative(s) may offer immigration legal services out of this and any approved extension site(s) only.

Sincerely,

*Bernardo Rodriguez*
